TESTIMONY

"Lynn is an interesting and inspiring character. Her life and work demonstrates a long and close connection with nature and the life forces around us. At The GreenMantle, you will find no TV or big screens, no radio blaring, just the sound of the wind in the trees, the birds singing, clucking hens, the whinney of a horse and distant bellow of cattle in the fields. So Turn off your phone and come and share in this set apart, little corner of Ireland, a sanctuary to BE yourself. Share in the seasonal cycles of sowing, growing and harvesting. Enjoy the chaos of The GreenMantle menagerie. Be yourself, Be Creative, Be Silent Be Inspired and Have FUN".

Suitable for artists of all levels, ages, and disciplines looking for time away to explore their creative self, also people who wish to explore the realities of surviving creatively in rural Ireland.
